

NEW!

NARCOTICS BOX

FOR THE *CompX eLock*[®]

FOR EMS VEHICLES: ACCESS CONTROL DEVICE WITH AUDIT TRAIL

Narcotics box features:

- ◆ Factory installed CompX eLock – choose from WiFi, Ethernet and non-network
- ◆ Heavy duty construction: seam welded 14 gauge steel
- ◆ Scratch-resistant powdercoated finish
- ◆ Built-in 12V-9V converter allows for dedicated power on-board EMS vehicles
- ◆ Auto-relocking door with mechanical key override
- ◆ Door position switch provides alert notifications

NEW! NARC Stack featuring the Hub system:

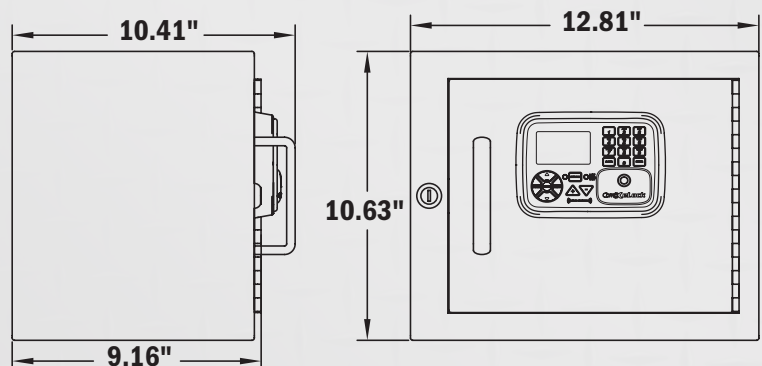

- ◆ One Hub system allows users to individually address up to eight openings with one eLock
- ◆ Pre-wired with Hub system and ready to install
- ◆ Maximum of eight NARC boxes per NARC Stack

eLock features:

- ◆ Provides an audit trail of access attempts
- ◆ Uses existing credentials: Prox cards, Smart cards and Keypad access
- ◆ eLocks also available for retrofit on existing cabinets
